Been part for Roskilde Festival management for 15 years.

Specialized for many years in civil society projects ...

Making, leading, building, motivating - in sports and culture.

CEO in The Danish Foundation for Culture and Sports
Facilities since april 2015.

To participate
To have fun
Not to only to look at

Start from below, by the users

Not big stadiums but inspiring playfields for all ages

Make it accessible to build by locals themselves

Rebuild, and develop ... Again and again

Understand sports of today

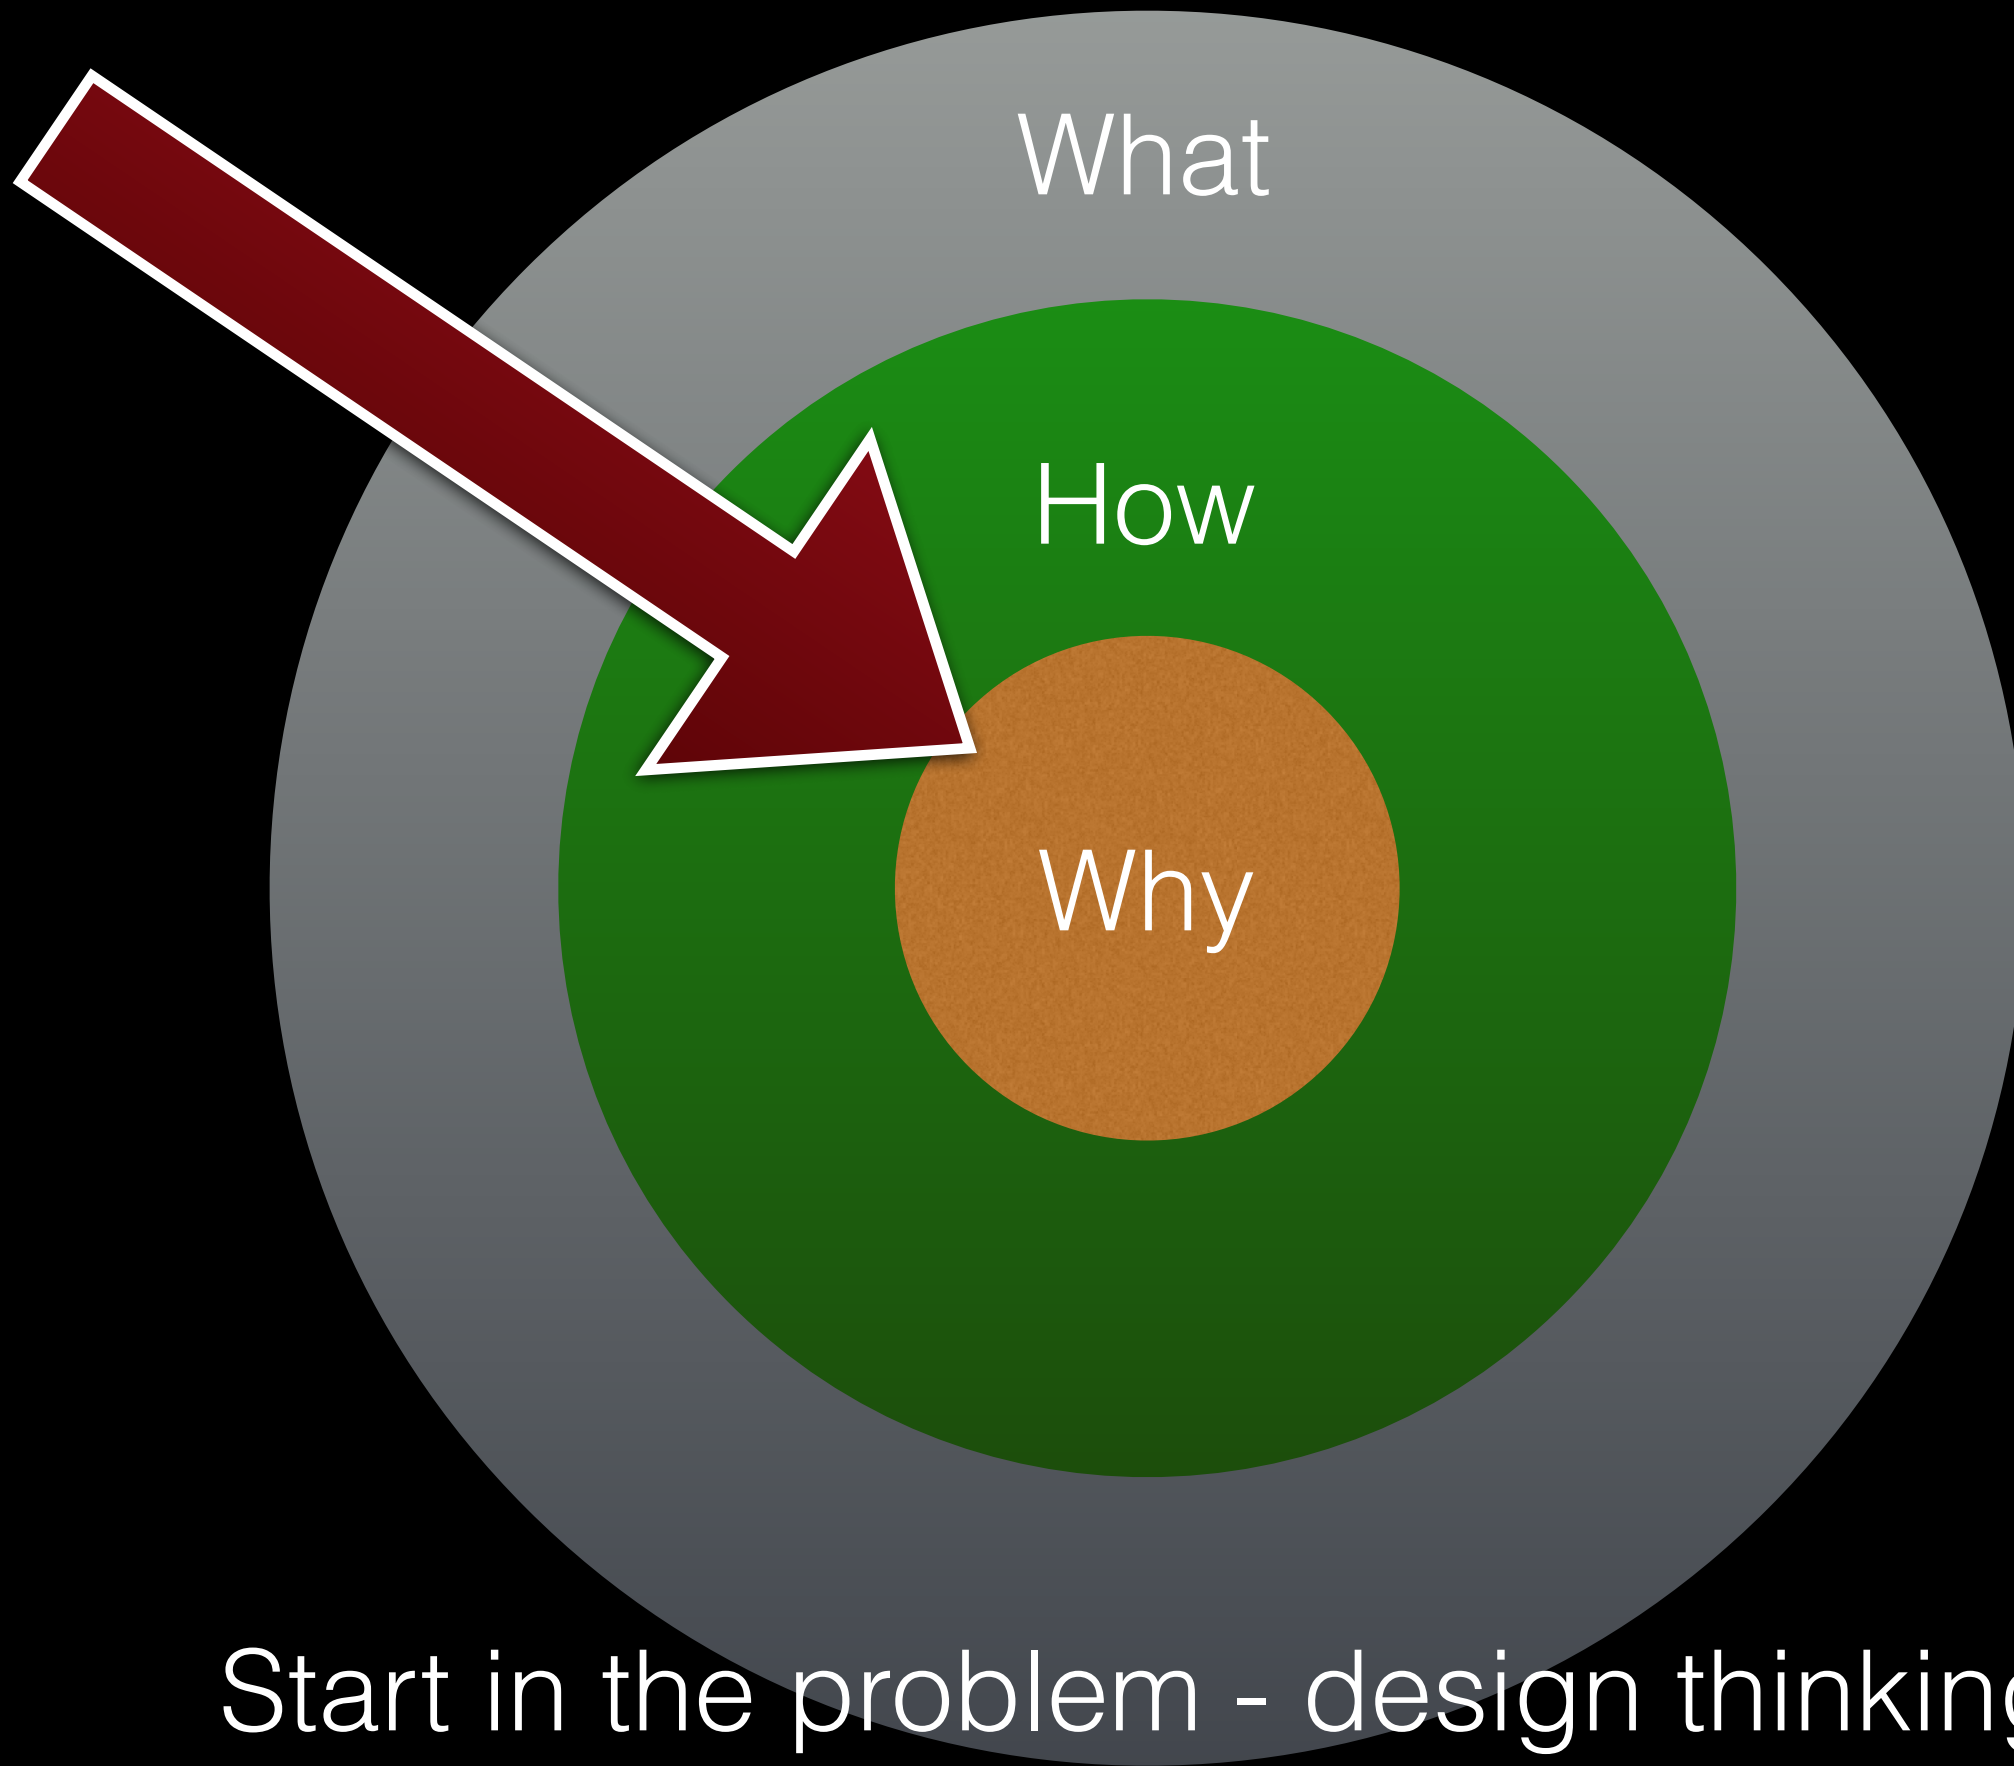

- Big changes - new possibilities
- Just to take part - right on
- Social meeting places
- All ages ... also the old ones
- Change and try new activities
- Smaller setups, easier setups
- Hosting, inviting in
- Like a computergame - just start playing, alone or together

Outdoor sports

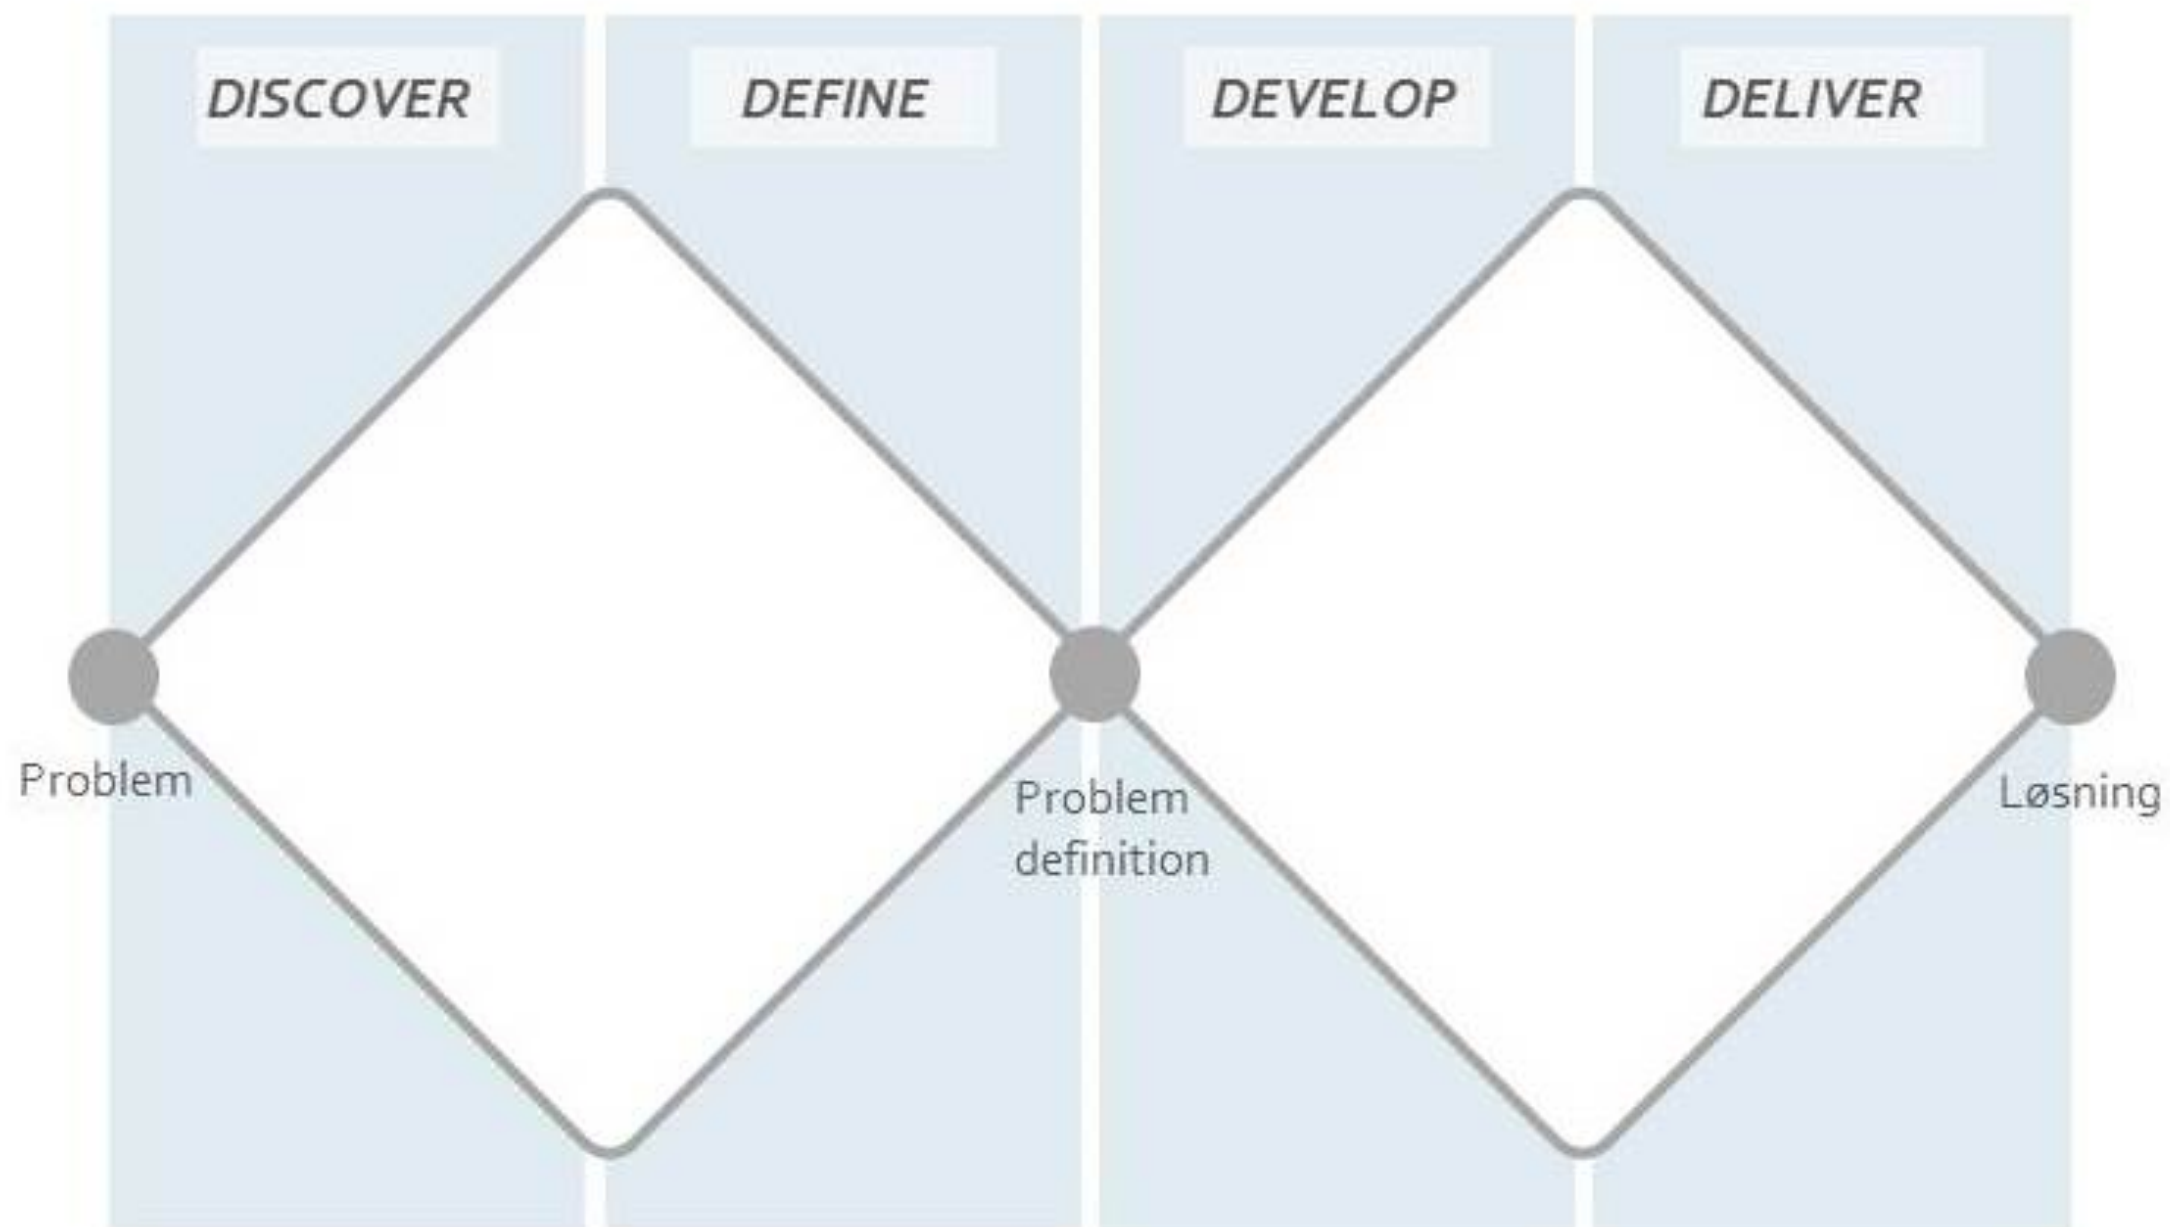

- Shelters in the nature
- To stay, to meet, to have a break, to fix your gear
- Routes in between - walking, running, mountainbiking, canoing, stand up paddle
- Placed at blue and green landmarks
- Lots of local storytelling
- Woods are the biggest sports areas for adults in Denmark

Start in the problem - design thinking

PROBLEMBASERET ELLER FÆRDIG LØSNING

PROBLEMS BECOME POSSIBILITIES

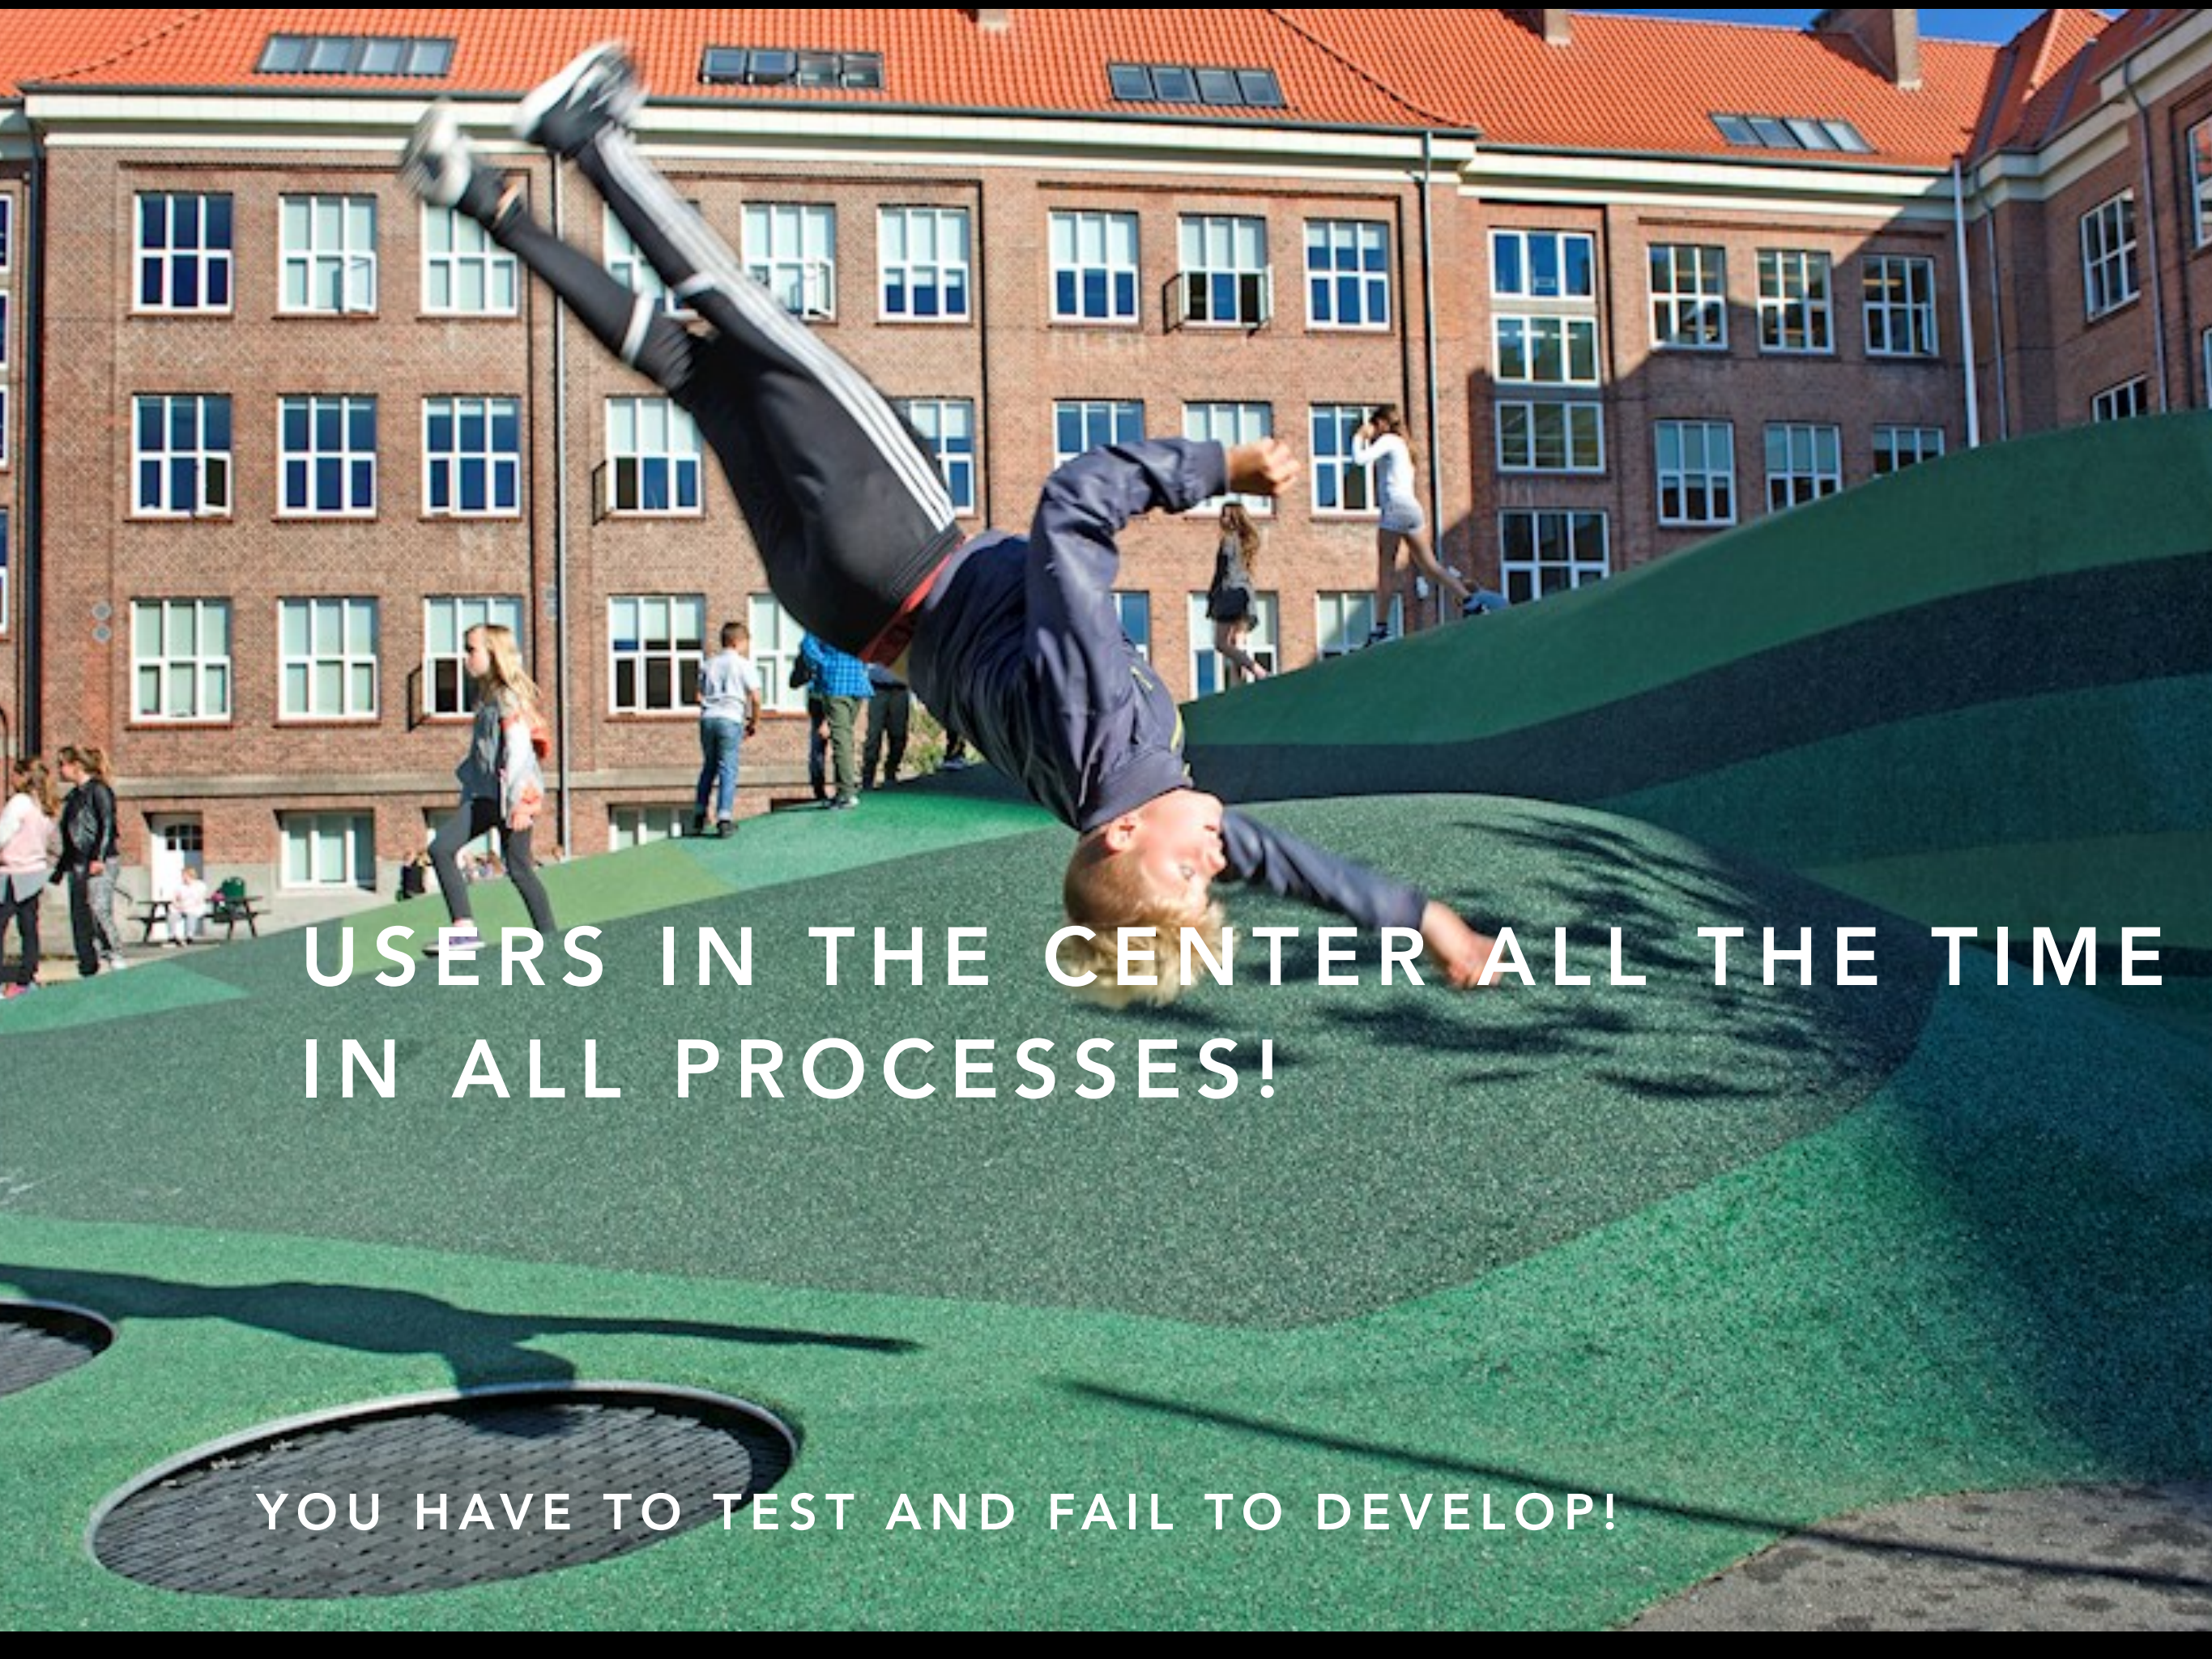

SOLUTIONS WHICH GIVES MUCH MORE ...

THINK OUT OF THE BOX

SPORTS + CULTURE + OUTDOOR +

USERS IN THE CENTER ALL THE TIME
IN ALL PROCESSES!

YOU HAVE TO TEST AND FAIL TO DEVELOP!

Inspire, invite in and share

PLAY: Simple, Visible and Fun

LOKALE
ANLÆGS
FONDEN

Integrate in the city and daily life

Make open, inviting places to meet

Streetsport facilities

3 new places - unfold experiences from STREETMEKKA CPH - in Esbjerg, Aalborg and Viborg

Combined with streetart, music
Skating, streetbasket, streetsoccer, parkour, dance, bouldering, slackline

In old industri buildings

Evaluated parkour facilities

New ways of sports arenas

- Social zones in the center - activity zones around
- Combined indoor and outdoor facilities
- Intelligent multi-use
- Combined with culture, health workers, etc.
-

Combined school and sport community facilities

School yards with power - 7 innovative examples are realised. Will now be evaluated.

School areas where you can move. 6 innovative examples are realised. Will now be evaluated.

KU:BE - Culture House + Sports arena

Build DIY and rebuild to meet interest

Use the storytelling of the place...

And it will grow and grow...
